

Michigan American Legion Boys' State Program

"A Week That Shapes A Lifetime"

June 18-24, 2023

At Grand Valley State University-Allendale

The purpose of the Michigan American Legion Boys' State program is to educate young men in the internal workings of our form of government. This is achieved by providing a stage from which to learn, by allowing them to create the 51st State in the Nation. This State includes all forms of government at the city, county, and state level. They might become a deputy sheriff of a county or be elected governor. They learn from being involved. Involvement is what makes a difference in our form of government. We hope that our program is a stepping stone to bigger and better things for all those who attend.

Time and Place: Our Boys' State program will be held on the campus of Grand Valley State University in Allendale beginning on the morning of Sunday, June 18, and ending after graduation on the afternoon of Saturday, June 24, 2023. All students will be housed on campus, and meals will be provided by the university dining service.

Eligibility Requirements: Michigan Boys' State is open to young men who have completed their junior year of high school (or the equivalent of 11th grade in an accredited homeschool program) and who are ready to enter the senior class in the Fall of 2023.

Who Should Attend? Students who demonstrate an interest in government and politics. Students that are leaders or demonstrate the potential to lead in a positive manner. This includes student council members, class officers, members of debate teams, band members or anyone else that would benefit from this leadership development experience.
