

# Oxford High School

## IB, AP and Honors Program Commitment

Oxford High School is pleased to offer Honors, Advanced Placement (AP) and International Baccalaureate (IB) classes, which are designed for students who desire a more rigorous curriculum to reach their full academic potential. These classes require advanced research, reading, writing and thinking skills, as they prepare students to engage in college level work during their high school career. Placement in Honors, AP or IB classes will be based on the student's academic performance and work ethic as well as teacher recommendation.

I understand that applying for admittance into the Honors, AP or IB program does not guarantee my placement into Honors, AP or IB classes. I have researched the requirements for acceptance into this program and fully understand the academic expectations. I am also committed to completing the summer reading and/or assignment requirement and understand that failure to do so will be reflected in my grade for the course.

**Once enrolled in an AP or IB course, I am committed to that decision and understand that I will not be allowed to drop the course(s) after June 1, 2019.**

**Parent's Consent:** My child has permission to apply for the Honors, AP or IB course(s) as indicated on this application. I understand that my child's academic record and work ethic, along with teacher recommendations, will be used to determine whether he/she will be placed into the course(s) that they have selected. I have researched the requirements for acceptance into this program and understand that there may be an extensive summer reading and/or assignment requirement that must be completed before the start of the school year. Failure to complete the summer work will be reflected in the overall grade for the course.

**Once my child is enrolled in an AP or IB course, we are committed to that decision and understand that he/she will not be allowed to drop the course(s) after June 1, 2019.**
