

2020 OHS Yearbook UPDATE

The 2019-20 *Wildcat* Yearbook delivery was delayed but they arrived on 9/15. **Distribution will take place as follows:**

- **Current OHS Students:** Due to the delivery delays, the yearbook staff needs a little time to properly sort pre-paid orders for current OHS students. Therefore we will deliver them to students in their 4th Hour classes next Tuesday 9/22. We apologize for the delay. Our goal is to accomplish this accurately and to minimize classroom interruption.
- **Yearbooks for all graduates and OVA transfers** can be picked up at the OHS Main Office during regular business hours, beginning this Thursday 9/17, from 8am-3pm. Siblings of Grads who are current OHS students can pick these up in the main office if that is more convenient. **To comply with all safety protocol, all guests must:**
 - Scan the QR code posted near the front doors of the building and complete the online health survey.
 - Wear a mask in the building at all times.
 - And as a courtesy, please be patient with our secretarial staff as they are managing several responsibilities in addition to admitting guests and distributing yearbooks.
- **Graduates must also settle any unpaid student obligations at this time.**
- Yes, there will be additional copies available for \$75, first come, first served **after we have distributed all pre-paid orders.**
